Returning your M2M form:

This form can be filled in, saved and then returned by email, otherwise you can print it off and return it to us by fax or post.

Payment:

You can place an order online with our custom drysuit, by selecting the option you require, choose the Made To Measure size that applies to you. Alternatively when we receive your made to measure form one of our sales staff will contact to organise payment.

Delivery:

You should allow 1-2 weeks for manufacture, if you need your drysuit quicker than this then please give us a call and we will see what we can do.
